Air fryer boiler light

Product Features

- Possibility to upgrade to a higher energy efficiency class
- Easy installation by meams of screw fixing or snap fixing
- UL,CSA,TUV,SAA,CQC,and RoHS compliant

Specifications

- Lamp:G9
- Rated Voltage: 110~240V
  Power: 25-40W
- Lamp holder: Ceramic lamp holder
- Certification: CE, CSA, SAA, UL, TUV, RoHS,
- Linghting for the Domestic Appliance Industry

Application

Halogen lights illuminate the cooking surface.Advantageous for the evening barbecue,eliminating the need for external lights that may disrupt the ambience of your gathering.
